Updates on Hakuzo Medical Technos Corporation Kumamoto Plant Production

This is to update the situations in Hakuzo Medical Technos Corporation Kumamoto Plant following earthquakes in Kumamoto Prefecture on Apr. 16, 2016

[As of April 18, 2016 15:00]

- All the employees of Hakuzo Medical Technos Corporation Kumamoto Plant and their families are safe and sound.
- The checking of the production facilities and QC facilities is completed. The production has been restarted after some repairing. There is no issue with productions, but delays may occur due to logistics issues.

We are sorry for any inconvenience caused and we will continue to make all possible efforts to offer support to the residents of Kyushu, and hope for the soonest possible recovery of the affected areas.
